

1ST MANNHEIM MACCI CAREER DAY IN COMPETITION ECONOMICS

The MaCCI Career Day is a forum for Mannheim master students in economics and, in particular, for those taking the track in competition and regulation economics, as well as for Ph.D. students. The event is also open to non-Mannheim students. Interested participants will have the chance to talk about career plans, internships, and job opportunities with leading competition economics consultancies. Prior registration is required. Drinks and snacks will be provided free of charge.

The following consultancies will participate:

CompassLexecon, CRA, E.CA Consulting, NERA, Oxera

Please register via macci.careerday@gmail.com until March 1st if you want to attend.
