MASTER IN COMPETITION AND REGULATION ECONOMICS
– Starting in September 2017 –

Why University of Mannheim?

→ One of the world-leading faculties in the areas of competition and regulation economics
→ Close interaction with the Centre for European Economic Research (ZEW)
→ Beautiful downtown campus
→ Located in the industrial heartland of Europe with world-leading enterprises at the footstep
→ 30 minutes by train to Frankfurt International Airport
→ No tuition fees for EU and EEA citizens

The program in a nutshell:

→ Two years (four semesters) with 120 - 126 ECTS
→ High-quality structured program with an annual intake of 25 students
→ English speaking program with an international student body
→ Specialized compulsory courses Industrial Organization – Markets and Strategy, Empirical Industrial Organization, and Competition Law, complemented by a large number of electives and a tailor-made lecture series with talks by leading competition and regulation practitioners
→ Close interaction with law students
→ Various possibilities for internships, excursions, and other interactions with our partners Bundesnetzagentur, German Monopolies Commission, Competition Commission of Singapore, Deutsche Bahn, Deutsche Telekom, CompassLexecon, CRA, etc.
→ Excellent career opportunities, e.g. in competition and regulatory authorities, companies in regulated sectors such as energy and telecommunications, consultancies, etc.

Application period: March 15 - April 30
