Welcome Week M.Sc. Economics

28/08/2023, Time: 19:00 - open end, Place: Neckarwiese | Get Together + Economics Welcome Party (Pre-Welcome-Week Event)

You are already in Mannheim on 28/08/2023 and want to connect to your fellow students at the Department of Economics? Perfect! Come and join the Get Together of the Student Association of Economics (Fachschaft Volkswirtschaftslehre). Of course, we will also attend the event with some Master students from the higher cohorts. This event is also the first event within the Welcome Week for incoming Bachelor students, so it is the perfect place to socialize with your fellow Master students as well as with students from the Bachelor and the Student Association of Economics. Only during the Get Together, you can get an entrance bracelet for the Economics Welcome Party 2023/24, which starts later that evening at 22:30 at Tiffany Mannheim. Celebrate with us the start of the new academic year!

04/09/2023, Time: 17:30 - 18:30, Place: L7 3-5 | Campus Tour

Get to know the lecture rooms, the libraries, and the cafeteria (Mensa) during our campus tour! We will split the cohort in some smaller groups and Master students from the higher cohort will guide you through the campus and are available to chat and answer your questions. The tour will take maybe around one hour. After that, we plan to meet all together at Schillerpark for socializing (if you have: bring a towel or a blanket to sit on in the grass).

06/09/2023: Time: 14:00 - 18:00, Place: L7 3-5 | City Rally

You want to spend a fun afternoon with your fellow Master students while exploring your new home town Mannheim? Then, join our City Rally. In some smaller groups, you will solve different tasks and challenges around Mannheim and by-the-way you will get to know the important, beautiful, and exciting spots and places in the city. In the end, we will meet all together again for a victory ceremony.

07/09/2023: Time: 20:00 - 01:00, Place: Rheinterrassen | Pre-Party + Schneckenhof Party

The Schneckenhof Party (short: the Hof) is the legendary student party (nearly) each Thursday during lecture period at the Schloss. So, come and join us for your first Schneckenhof experience! We will meet for a pre-party at 20:00 at Rheinterrassen and will later all together move to the Schloss for the Schneckenhof Party. We have organized a special contingent of tickets for the Schneckenhof Party for you and will sell them during the Campus Tour on Monday (if you want to buy a ticket: please bring 4€ exactly in cash). Otherwise, you can also buy tickets during the official presale on Tuesday and Wednesday at lunch time in front of the cafeteria (Mensa) (but be aware that there are often long queues in the beginning of the semester).
