

Vacancy: Student assistant

The Chair of Quantitative Economics (Prof. Ulrich Wagner, Ph.D.; Dr. Andreas Gerster) is looking for a student assistant starting this semester for a minimum of three months with a minimum workload of 25 hours per month.

Responsibilities:

- supporting research projects in the field of environmental economics
- data collection and editing, bibliographic research
- supporting teaching activities

Qualifications:

- good performance, particularly in economics
- interest in empirical research and in computer-based data analysis
- good programming skills (particularly in R and/or Stata)
- readiness to deepen knowledge independently
- good knowledge of English

Applicants are asked to send their documents (motivation letter, CV, certificates) in **one single pdf file (max. 2.5 MB)** to Mr Andreas Gerster (gerster@uni-mannheim.de). Submissions will be reviewed immediately and until the position is filled.

Data protection: Please note that the transmission of an unencrypted e-mail may endanger confidentiality and prevent unauthorized access by third parties. The documents submitted will only be returned if a sufficiently stamped return envelope is sent at the same time. Otherwise they will be destroyed after completion of the application process in accordance with data protection law. Electronic applications will also be deleted after completion of the application process.
